Top 10 Person of the world

By Mike Mathes

Hot boating hobbyists gathered together on the waters of Lake Winnebago for fun last week, but they came away as heroes on the March of Dimes.

A group of hot boating enthusiasts who found each other through the website Screamandfly.com were brought together by organizer Mike Balz of Kiel.

As part of their love for boating, they had the opportunity to enjoy the waters of Lake Winnebago and the Wolf River, along with some landed activities.

A tour of the Mercury Marine prop testing center and the Mercury manufacturing facilities was part of the three day event.

"We had a great dinner at Fisherman's Cove which was topped off by a charity auction," Balz said. "The people were great. They really opened up their wallets to make it a success."

Honored for making the farthest trip to the Balz event were Brad and Belinda Waylett of Winnipeg, Canada.

The culminating event of the week was a brat fry, hosted at the Balz residence in Kiel. Honored guests of the event were Chris Cann, the Community Director for the Great Northern Lakes Chapter of the March of Dimes, along with local March of Dimes Ambassador Adam Kraus and his family.

As part of the event, Balz presented a donation of \$1,350 to March of Dimes on behalf of the hot boaters. A CD is being made of snapshots taken with digital cameras during the week. Those CDs will sell for \$20 apiece, with proceeds going to charity as well.

On behalf of his friends in the hobby sport of "hot boating," Mike Balz of Kiel presents a check for \$1,350 to Chris Cann, the community director for the Great Northern Lakes Chapter of the March of Dimes. Money raised via a charity auction and poker run were given to the March of Dimes. Balz is a friend of the family of Adam Kraus, Kiel, an ambassador for the March of Dimes, which prompted the group to select MOD as its designated charity for its annual hot boating rally on Lake Winnebago.
