

Plant Café

You must choose one dessert and one beverage.

Menu Items

Coffee & Tea

Lily Latte.....\$0.50

Go outside and find sticks and leaves to create a model of a plant. You can use index cards to label and explain the function of the plant. Use a Hue to show the class.

Bush Brulee.....\$0.50

Create a five page book that illustrates different habitats of plants. Use Voice Thread to publish your work.

Frozen Tundra Frappe.....\$1.00

Choose three friends to create a four part tableau about the life cycle of a plant. Record using a Flip Camera.

Cinquain Tea.....\$0.50

Write a poem about plants. You can publish on the back computer. Be sure to include how a plant adapts to its environment.

Desserts

Magnolia Muffin.....\$4.00

Write a song that tells about the life cycle of a plant. You can practice using the keyboard. You can record on Audacity with a Parent Volunteer.

Geranium Gingersnaps..\$3.50

Compose questions to ask for the Wheel of Fortune game. Show Miss Grant your questions before you begin to type.

Daisy Doughnut.....\$4.00

Compose a list of five survey questions about plants. Ask fifteen friends and graph your results on Graph Club. See example questions from Miss Grant.

Name: _____

Menu Checklist:

- I read the rubric before I began my project.
- I checked my finished project by reading the rubric.
- I wrote my name on all my projects.
- I wrote my name on this paper.
- I did my personal best.

.....
Cut and turn in before your presentation.
